## AmeriCorps Application Certification

Your application must be certified with your original signature in ink. Please scan and email document back to us, or use US postal service to mail form. If you are applying to more than one AmeriCorps program, make a copy for each program that you're applying to first, and then sign each one.

I certify that all of the statements made in this application are true, correct, and complete, to the best of my knowledge, and are made in good faith. Misinformation or omission of information could result in disqualification or termination as an AmeriCorps member. If I am selected for participation in some AmeriCorps programs, including AmeriCorps NCCC, I may be required to submit to a physical examination, including drug or alcohol testing. Background and security checks may also be conducted by some programs.

You are advised that submission of the information is entirely voluntary, but the requested information is required in order for you to participate in AmeriCorps programs.

The principal purpose for requesting this personal information is to process your application for acceptance into an AmeriCorps program, and for other general routine purposes associated with your participation in an AmeriCorps program. These routine purposes may include disclosure of the information to federal, state, or local agencies pursuant to lawfully authorized requests, to present and former employers, references provided by you in your application, and educational institutions, for the purpose of verifying the information provided by you in your application. In some programs, the information may also be provided to federal, state, and local law enforcement agencies to determine the existence of any prior criminal convictions. The information will not otherwise be disclosed to entities outside of AmeriCorps and the Corporation for National and Community Service without your prior written consent.
