

## Education Award Eligibility Agreement

Member Name: \_\_\_\_\_

You are eligible for a Segal AmeriCorps Education Award if you successfully complete your term of service in accordance with your member contract with one of the following approved AmeriCorps programs:

- **AmeriCorps\*State and National**
- AmeriCorps\*VISTA
- AmeriCorps\*NCCC

Awards can be earned during the first two terms of national service regardless of the length of the term. Full-time, half-time, reduced half-time, quarter time, and minimum time terms of service each count as one term of service. Generally, even if you did not complete your service requirement and did not receive an education award, that term of service counts as one of your first two terms. Under no circumstances will an individual be eligible to receive more than two Segal AmeriCorps Education Awards.

I understand that I am eligible to receive an Education Award for my FIRST TWO terms of national service only. If my term of service with PCEI AmeriCorps program is a third term, I understand that I will not receive an Education Award for my service with PCEI AmeriCorps program. I further understand that it is my responsibility to inform PCEI of any previous service in an AmeriCorps program, regardless if I did not complete my previous term of service, and that PCEI is not liable for providing an Education Award to me if I am not eligible under the Corporation for National and Community Service AmeriCorps guidelines.
