

The Seasonal Wanderings Family Series presents...

Insectigations!

Thursday, June 18th

6:30-8:00 PM

PCEI Nature Center

What's going on?

There's nothing better than a summer "bug hunt!" Come out to learn what makes and insect an insect and find some of the best places to spot them around the Nature Center. The **WSU Entomology Graduate Students Association** will join us to share some of their own specimens!

This event will include...

- Insects!
- Exploration!
- Observation!
- Live specimens!

Make sure to dress for the weather!

Suggested donation: \$3 per person
