presents  
2015

## Winter Wanderings Family Series

Come check out the **PCEI Nature Center** this winter for our 2015 Winter Wanderings Family Series. These events are **FREE**, fun, and entertaining for all ages!

### January Owl Moon

Friday, January 16th • 6:30-8:00PM

Join PCEI staff for a reading of Jane Yolen's, *Owl Moon*, followed by an owling hike and a visit from some real, live owls from the WSU raptor club.

### February

#### The Great Backyard Bird Count

Saturday, February 14th • 9:30-11AM

Come to the Nature Center to learn about and partake in this world-wide citizen science project. We will learn about winter birds of the Palouse, go find them around the Nature Center, and make bird feeders to take home!

### March Nature Art

Saturday, March 28th • 10-11:30AM

Leave the crayons and markers inside today; we will search the Nature Center grounds for our art supplies à la Andy Goldsworthy! Go wild!

Make a masterpiece and share it with the group in our artist's showcase.

### April

#### Family Campfire

Thursday, April 16th • 6:30-8:00PM

Join Roger Vielle to celebrate animals around the campfire through the sharing of traditional Blackfeet songs, dances, and stories. Get ready to dance and sing along! Have fun!

**Please call to register!**  
Let us know you are coming!
